

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

WILSON C. WARREN

Claim No. CU -0908

Decision No. CU 3140

Under the International Claims Settlement
Act of 1949, as amended

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by WILSON C. WARREN and is based upon the asserted loss of \$13,190.00 sustained in connection with the ownership of common stock interest in Cia. Azucarera Vertientes-Camaguey de Cuba. Claimant has been a national of the United States since birth.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against property, including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

On the basis of evidence of record, the Commission finds that claimant is, and since prior to August 6, 1960, has been the owner of 200 shares of common stock of Cia. Azucarera Vertientes-Camaguey de Cuba (Vertientes-Camaguey Sugar Company of Cuba). The stock is represented by Certificates Nos. N72923 and J1404.

The record discloses that Cia. Azucarera Vertientes-Camaguey de Cuba was listed as nationalized in Resolution No. 1 (pursuant to Law 851), published in the Cuban Official Gazette on August 6, 1960. This corporation was organized under the laws of Cuba and does not qualify as a corporate "national of the United States" defined under Section 502(1)(B) of the Act as a corporation or other legal entity organized under the laws of the United States, or any State, the District of Columbia or the Commonwealth of Puerto Rico, whose ownership is vested to the extent of 50 per centum or more in natural persons who are citizens of the United States. In this type of situation, it has been held previously that a stockholder in such a corporation is entitled to file a claim based upon the stock in question which represents an ownership interest in the assets of a nationalized enterprise within the purview of Section 502(3) of the Act. (See Claim of Parke, Davis & Company, Claim No. CU-0180, 1967 FCSC Ann. Rep. 33).

In determining the value of the latter interest owned by claimant in Cia. Azucarera Vertientes-Camaguey de Cuba, the Commission has considered the appraisals by Parajon e Hijo, balance sheets for the years 1957, 1958, 1959 and 1960, the annual reports to stockholders for those years, and other evidence of record submitted by the Company. On the basis of the entire record, the Commission concludes that the dollar loss sustained by Cia Azucarera Vertientes-Camaguey on August 6, 1960, was \$66,990,148.48, and the loss per share for each of the 1,443,921 shares of common stock was \$46.3946.

Accordingly, in the instant claim, the Commission finds that claimant as holder of shares of common stock of Cia. Azucarera Vertientes-Camaguey de Cuba suffered a loss in the amount of \$9,278.92 within the meaning of Title V of the Act, as a result of the nationalization of Cia. Azucarera Vertientes-Camaguey de Cuba by the Government of Cuba on August 6, 1960. (See Claim of Ruth Anna Haskew, Claim No. CU-0849.)

In addition to the above, claimant has asserted a loss based on 100 shares of Vertientes-Camaguey Sugar Company stock purchased on August 8, 1960, for a consideration of \$309.00. The stock in question is represented by certificate No. N78556. As to the latter shares:

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

Section 507 of the Act provides, as to assignment of claims, that

(b) The amount determined to be due on any claim of an assignee who acquires the same by purchase shall not exceed (or, in the case of any such acquisition subsequent to the date of the determination, shall not be deemed to have exceeded) the amount of the actual consideration paid by such assignee, or in case of successive assignments of a claim by any assignee.

On the basis of evidence of record, the Commission finds that the above-numbered certificate was issued to claimant on August 18, 1960 after purchase by him on August 8, 1960 for a consideration of \$309.00.

Under the provisions of Section 504(a) of the Act, a claimant is required to establish that the claim for any loss has been continuously owned by a national or nationals of the United States from the date of loss to the date of filing with the Commission. The loss occurred on August 6, 1960. Claimant has been unable to obtain information or evidence to establish the

nationality of the owner of this certificate on the date of loss, and to establish continuous United States ownership thereof until the date on which claimant acquired it.

Evidence of record before the Commission discloses that securities of the type subject of this claim were almost entirely owned and traded by persons or firms having addresses in the United States. The Commission has considered whether an inference may be justified that the claimed securities were continuously owned by a national or nationals of the United States from the date of loss to the date on which purchased by the claimant, and, in the absence of evidence to the contrary, has concluded that the securities were continuously so owned. (See Claim of the Executors of the Estate of Julius S. Wikler, Deceased, Claim No. CU-2571.)

The Commission finds that claimant, upon his purchase of the 100 shares of securities, referred to above, succeeded to the loss sustained by the assignor of the claimed securities. In addition, the Commission concludes that claimant succeeded to and suffered a loss with respect to these 100 shares in the amount of \$309.00 (the price he paid) as a result of the nationalization of the Vertientes-Camaguey Sugar Company on August 6, 1960.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See Claim of Lisle Corporation, Claim No. CU-0644.) The Commission concludes, however, that the amount of loss sustained with respect to the shares purchased after the nationalization of the corporation shall be increased by interest thereon at the rate of 6% per annum from August 8, 1960, the date on which claimant acquired this portion of the claim, to the date on which provisions are made for the settlement thereof. Accordingly, interest is to be included as follows:

<u>FROM</u>	<u>ON</u>
August 6, 1960	\$ 9,278.92
August 8, 1960	<u>309.00</u>
	\$ 9,587.92

CERTIFICATION OF LOSS

The Commission certifies that WILSON C. WARREN suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Nine Thousand Five Hundred Eighty-Seven Dollars and Ninety-Two Cents (\$9,587.92) with interest at 6% per annum from the aforesaid dates to the date of settlement.
